## PROFILE

Greetings! I'm Tuong, a seasoned full-stack developer with a passion for creating exceptional websites through a combination of attentive design and development. I leverage contemporary technology and specialize in utilizing state-of-the-art tools such as Next.js, TypeScript, ExpressJS, Tailwind CSS, and MongoDB. My commitment to accuracy and excellence ensures that every project seamlessly fuses creativity with usability, from concept to execution. Let's collaborate to transform your digital concepts into outstanding web experiences.
